IMPOSTA DI SOGGIORNO - LOCAZIONE BREVE

TABELLA CALCOLO TARIFFE

I sottostanti prospetti riportano l'imposta complessiva da richiedere agli ospiti in riferimento ai giorni di pernottamento e al numero di persone imponibili (sono esenti i minori che non abbiano ancora compiuto dodici anni ed altre fattispecie previste dal vigente regolamento). Nel caso che i giorni di pernottamento imponibili ricadano nello stesso mese, occorre considerare la tabella di riferimento per tale mese. Nel caso i giorni ricadano in mesi diversi (da considerare solo i primi sette), occorre considerare entrambe le tabelle.
